

Permit Parking Consolidation

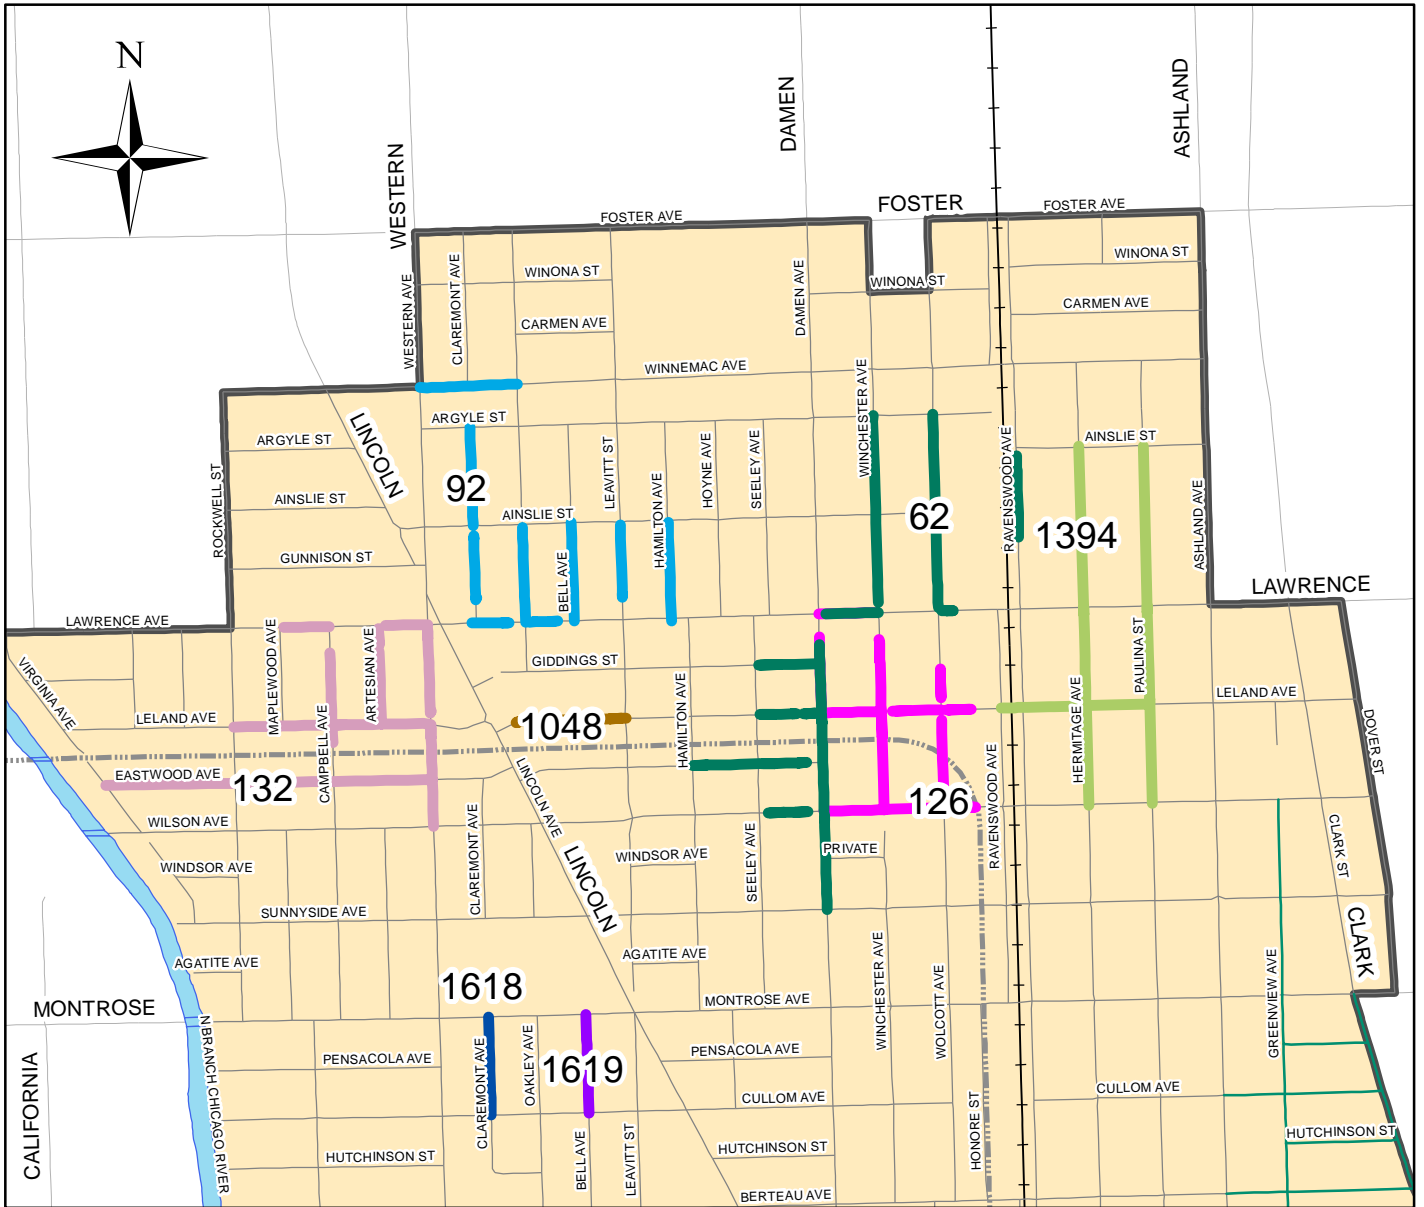

When purchasing your 2012 City Vehicle Stickers from the City Clerk's office, please be aware of the following permit parking zone consolidations:

- Zones 1394 and 126 are consolidating into **Zone 62**
- Zones 132 and 1048 are consolidating into **Zone 92**
- (the mistakenly posted zone 1667 on Hamilton will also be returned to Zone 92)

Car owners in these areas need to be sure the new zone number is printed correctly when purchasing their new city sticker.

We have been working closely with City Clerk Mendoza, and all vendors should have the updated information. Signs will be updated by July 1st and the Department of Revenue will be notified so that enforcement is properly carried out through the transition. **ONLY** the zone number is changing; all time restrictions are remaining the same unless a change was petitioned by the block.

Current (2011) 47th Ward Permit Parking Zones

Consolidated (2012) 47th Ward Permit Parking Zones
